## **ST JOSEPH'S CATHOLIC PRIMARY SCHOOL BREAKFAST CLUB POLICY**

### **Rationale**

The breakfast club is organised by St Joseph's Primary School. It is an extended school activity designed to allow children to be supervised in school from 8.00am onwards to have the opportunity to have a choice of food and drink for a healthy start to the day, and to join in activities on offer. They are also encouraged to be independent at these times and to make decisions for themselves through the choice of food and drink and to participate in informal activities with each other developing social and interactive skills.

### **Objectives**

To provide a welcoming, safe, secure environment for pupils before the beginning of the school day. To enable pupils to eat breakfast before the start of the school day in a pleasant, relaxed environment. To employ caring supervisory staff. To provide a calm play environment for those pupils. To provide an affordable service for working parents.

### **Organisation**

The breakfast club is open to all pupils attending St Joseph's school and Nursery. It is open from 8:00am to 8:55am. Children should arrive no later than 8:05 if they wish to take breakfast as this enables the staff to clear food and clean before the start of the school day. The child's details, medical conditions, the parent's contact details, an additional emergency contact name, address and telephone number are kept in the School Office. It is the responsibility of the parents to ensure that the office is informed of contact changes.

### **Use of Registers**

Children are registered as they enter the Workshop. Newcomers are added to register. The breakfast club staff retain the registers which are kept in the school office. In case of emergency where children have to be evacuated from the building, the register must be taken and the children checked against the register to ensure they are present. Staffing and supervision: The children are adequately supervised at all times. A minimum of two staff are on duty. First Aiders are available on site. Both permanent members of staff on duty have attended the food hygiene course. It is the responsibility of the parent to ensure that the children are handed over safely to the staff on duty. All children must have been booked into the club by 3:15pm the previous school day to allow for the correct ratio of staff to children to be in attendance. Responsibility for the children attending is only taken if the children are correctly booked in and handed over to the staff by the parent or carer.
