CATHOLIC PRIMARY AND NURSERY SCHOOL  
'LEARNING TO LOVE, LOVING TO LEARN'

# Newsletter

Learning to love, loving to learn

## Internet Safety

Internet safety is so important. There are so many issues that children and young people face online today. The link below provides a leaflet highlighting the potential risks, tips and conversation starters. It is also available in different languages.

<https://www.childnet.com/resources/supporting-young-people-online>

## The Daily Mile

St Joseph's has been taking part in the daily mile. This means that every day the children go out into the playground with their teacher to run/jog for a mile a day.

Teachers tell us that it improves learning readiness, concentration and behaviour – which leads to better attainment. They see how it builds the children's confidence, resilience and determination while they are enjoying being outside in the fresh air, running with their friends.

For more information on the initiative and how you can get involved at home too, please use the following link:

## MUNGA (Model United Nations General Assembly)

This week a small group of Year 6 attended a United Nations Workshop alongside other local schools. They have now been tasked with practicing their debating skills to return for a competition.

They will be debating whether single-use plastics should be banned.

Class Assembly – we look forward to Year 6 next Tuesday 19<sup>th</sup> June at 9.15am in the Hall. This will be the last assembly the Year 6 children will perform here at St Joseph's. We look forward to watching it. Bring your tissues!

## Attendance and Punctuality

Well done to Year 1 for the best attendance last week and to Reception and Year 4 for the best punctuality.

## House Points

Well done to St Francis for earning the most house points last week.

## Faith Councils thought for the week:

“I know God has a plan. I pray for direction to follow it, patience to wait for it, and knowledge to know when it comes” **Proverbs 2:6**

Have a lovely weekend: Miss Cashier
