LEARNING TO LOVE, LOVING TO LEARN

Newsletter

Learning to love, loving to learn

Dear Parents/Carers,

Thank you for your responses in the Parent Survey. We have analysed the results and identified key areas for support and development. We will be updating you on the actions as a result of this shortly.

Plastics Connecting Worlds Project!

On Monday 21st Roehampton University students will be visiting our school to work with the children. The children will be using various forms of plastic to work together collaboratively to create a masterpiece of art!

All the work will be displayed in the Hall at the end of the day. Please make sure you pop in and have a look!

It is also a great opportunity for the children to ask questions about University to support their future aspirations.

Well Done Year 6

Congratulations of completing all your SATs tests. You faced the week with focus, attention, diligence and grace. We are very proud of each and every one of you.

Congratulations to all our children who celebrated their First Holy Communion on Sunday at St Thomas a Becket Church. It was a lovely service and you accepted your first communion with great respect, showing a clear understanding of its importance.

Summer Weather

Although the sunny weather is a little intermittent at the moment please ensure all children have sunhats and cream (named) available in school for the hot weather.

As a result of the Health and Safety works in the playground the amount of shade is limited. We will be providing more shade as the hot weather continues.

Assembly Reminder

It is the Year 4 class assembly next week on Tuesday 22nd May at 9.15 am.

Attendance and Punctuality

Well done to Year 4 for the best attendance last week and to Reception and Year 1 for the best punctuality.

House Points

Well done to St Theresa's for earning the most house points last week.

Faith Councils thought for the week:

'God loves us in a way that crushes all loneliness and isolation' [Pope Francis](#)

Have a lovely weekend: Miss Cashier
