Learning to love, loving to learn

Dear Parents,
Reports will be sent home on Monday for you to read prior to your attendance at parents' evenings next week on either Tuesday or Wednesday. Please bring your reports along to your appointment to discuss.

Music

This week Our Year children performed in their Trumpet concert with other Wandsworth Schools at The Royal Festival Hall. Today our Year 4,5 and 6 children performed their own Trumpet Concert in school. Thank you to all the parents who came to watch, It was a great performance. Well done!

Digital Safety

Minecraft is played by millions of children around the world, who can use their imagination to build three-dimensional worlds with virtual building blocks in a digital, pixelated landscape. The risks that parents need to be aware of with this game like others include cyberbullying, "griefing", online grooming and susceptibility to viruses and malware. This link guides you on how to enjoy this game safely:

MUNGA (Model United Nations General Assembly)

Some of our Year 6 children did an amazing job representing the school at Wandsworth Town Hall. First they presented their knowledge and understanding of Jordan, gained through our links with Marka Prep School. They then acted as delegates from Jordan to debate whether single use plastics should be banned, to over 100 people. They did a fantastic job!

Parents Evening

If you haven't yet signed up for parents evening please speak to the class teacher. There are slots available.
