Learning to love, loving to learn

Dear Parents/Carers,

Thank you to all those who have completed our school survey. Your feedback is very valuable to us. If you have not yet had the chance to complete the survey please do so before next Wednesday 9th May.

Staying Safe

Does your child know what to do if there is a fire in the home? Fires happen when you least expect them and you will only have a short time to take action. Think about and practice how you would escape if your normal way is blocked. For further safety advice visit London Fire Brigade Website www.london-fire.gov.uk
