

Year 6 Newsletter

The last half term:

We all hope you had a restful and enjoyable half term and that the children are excited to spend their last half term at St Joseph's taking part in many exciting opportunities, such as Sports Day, Picnic and Praise, their Leaver's Assembly, Leaver's Mass, the enterprise scheme, the writer's club, induction days and school journey. We hope that Year 6 will have a memorable last few weeks with us and create memories that will last a lifetime. We look forward to celebrating their achievements at the end of the year.

Learning Challenge

In this learning challenge we will explore why our bodies are so amazing. We will investigate questions such as 'What are the parts of the human circulatory system and how do they work? Why is a healthy diet, exercise and a good life style necessary in keeping our bodies in good shape?'

In Art we will make self-portraits and sculptures about the body and its five senses. We will also look at how famous artists like Van Gough, Kandinsky, Leonardo da Vinci and Rembrandt, have used their imagination to paint their own portraits and those of others.

Year 6 Poem

I cross the bridge and leave behind
The world I know so well
A place without surprises
So ordinary and dull

Across the bridge
What lies there?
If only that I knew
A land of possibilities
Where all my dreams come true

Every bridge I cross in life
Will take me to a new ground
Old things will be left behind
But new things will be found
