Learning Challenge: Who can I ask for help?

Dear Parents/Carers,

We can't believe it is already so close to the end of Reception! The children have a fun and busy term to look forward to. They have all worked so hard and progressed so much this year already, and are showing us that they are ready to achieve great things leading into year one.

We'd like to take this opportunity to thank you all for your continued support this year. We are very excited for the learning and experiences that will take place this term, including Sports Day and our Wandsworth School Singing performance.

Thank you again, Reception Team ☺

Special Notices

Please ensure your child is at school at 8:55am in the correct school uniform.

Lessons begin at 9am and children who are regularly coming in late are missing essential learning every day.

Values:

June: Friendship

July: Humility

Learning to love, loving to learn

Summer 2 2018

Class Teacher: Miss B

TA: Ms. Burke, Ms Mathiethasson

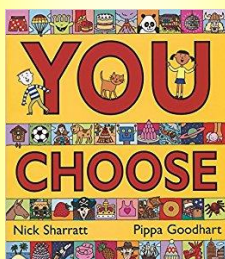

Ways to help your child at home:

- Discuss with your child the things that they have learned each day.
- Get your child into a good routine for completing any homework.
- Encourage your child to read for at least 20 mins a day.
- Read and discuss together the "Wednesday Word" every week.

Learning Challenge:

This term the children are going to explore the key question of "Who can I ask for help?". This is a chance for them to learn and experience the emergency services and many other people who help our community. The children will also be exploring, thinking and writing about their own dreams and aspirations, writing about what they would love to be when they grow up.

The text that the children will be reading alongside this topic is "You Choose". A fantastic book that encourages you to be unique!

Summer Essentials

As the weather is now beginning to heat up, please ensure your child brings a **labelled drink bottle and sun hat** to school each day.

Thank you ☺

Home Learning:

The children will be given one piece of home learning each Monday.

The tasks and activities given will be designed to be fun whole family learning so that you and your child can engage in the topics learnt at school together.

Home learning should be returned each Friday to be shared and celebrated in class.

Thank you ☺
