Learning Challenge: Food, glorious food

Welcome back. I hope you've all had a good half term and are ready for the final weeks of year 3. This term we'll be looking at all aspect of food: Where it comes from? How far? Also, foods from around the world, healthy eating, diets – facts and fictions, food in art, food distribution in the wider world and much more.

We already have a trip booked on the 4th July to Pizza Express in Fulham (2 parents required) and we're hoping to book another trip to the Growthampton site in late July.

In the meantime, please remember to keep helping and encouraging your child with their homework and most importantly, find some time to read with them each week.

Keep up the good work!

Special Notices

Please ensure your child is at school at 8:55am in the correct school uniform.

Lessons begin at 9am and children who are regularly coming in late are missing essential learning every day.

Values:

June: Friendship

July: Humility

Learning to love, loving to learn

Summer 2 2018

Class Teacher: N.Baburam

TA: Lilliana Fonseca

Ways to help your child at home:

- Discuss with your child the things that they have learned each day.
- Ensure all homework is completed
- Get your child into a good routine for completing homework.
- Encourage your child to read for at least 20 mins a day.
- Read and discuss together the "Wednesday Word" every week.

Learning Challenge:

Art

Looking at the work of Arcimboldo and having a go at our own 'food art'

History

Using all of our historical Knowledge, find out how diets have changed over time and why.

Geography

We will undertake a study on where our food comes from in the world and have a look at 'food miles'. We will also look at how diet differs around the world and why.

Design and technology

We'll design our own healthy foods and should have a chance to make them on our trip to pizza express.

Music

We'll be learning food related songs!

Maths:

Angles, shapes and their properties (2 weeks)

Measuring:

Mass and Capacity (3 weeks)
