

ST. JOSEPH'S

CATHOLIC PRIMARY AND NURSERY SCHOOL
'LEARNING TO LOVE, LOVING TO LEARN'

PE & Sport Premium Funding 2016/17

The DfE Vision for the Primary PE and Sport Premium

'ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.'

In April 2013, the Department for Education announced new funding of £150 million to support the delivery of PE and school sport. Funding is being allocated to all state-maintained secondary, primary, middle and special schools (including non-maintained special schools), academies and pupil referral units with primary aged pupils.

Allocations in the past 5 years:

St Joseph's Catholic Primary School received:

- 2013/14- £8,375
- 2014/15 - £8,860
- 2015/16 - £8,833
- 2016/17 - £8,846.

PE and Sports Premium Aims (based on impact 2015/16):

- To develop the confidence and skills of the teachers to provide high standards of P.E. by using specialist, trained PE coaches to deliver high quality provision with a focus on up- skilling our teaching staff.
- To extend the PE curriculum to broaden children's opportunities to take part in a wide range of sports, and those beyond the curriculum.
- To develop competitive sport with other schools by giving children the opportunity to compete as a representative of the school, at both a competitive and enjoyment level.

Proposed spending of Sports Premium funding 2016/17:

Objective	Initiative	Cost
To develop the confidence and skills of the teachers to provide high standards of P.E.	Mentoring Programmes provided by Moving Matters and Chelsea FC. Joint planning/ Team teaching/ Observation and Feedback/Feedforward	£9000 per annum £3300 2016/17 budget
To extend the PE curriculum	Dance at Southfields linked to Learning Challenge Curriculum Skip to be Fit Workshop	£300 per half-term. Year 4 -£300 Year 5 -£300 £340
To develop competitive sport with other schools	Membership of PPSSA Membership of Wandsworth Sports CPD Network	£150 per annum £200 per annum
Total		£4,590
Carry forward		£4,256

We are using our Sport Premium to improve the quality of PE and Sport provision in the following ways:

We have opted into the high quality P.E. package offered by Moving Matters. This package (equivalent to one day per week throughout the year), provides high quality training and support via a link teacher employed by Moving Matters and use of their on-line resources for planning, teaching and assessment. The programme provided by the package is responsive to the school's needs and reflects each class teacher's strengths and areas for development in the delivery of the P.E. Curriculum. The programme is developed in partnership with the school, with the link teacher liaising with the P.E. Co-ordinator.

We also work closely with Southfields Academy, we have joined the Wandsworth Sports CPD Network which provides access to high quality CPD, support for Subject Leaders and organises sports competitions. Southfields also support our Annual Sports Day and our swimming provision by providing the use of their facilities and access to high quality support and swimming teacher. This year, we have accessed their Dance facilities and worked with their Head of Department to link high quality dance provision to our Learning Challenge Curriculum for the children in Year 4 and Year 5.

We have also developed links with Chelsea Football Club, to enable teachers and members of the support staff to benefit from their Mentoring Programme every half-term they work with 2 different members of staff to deliver high quality P.E. lessons. Chelsea also provides a range of programmes and sessions for the children to encourage physical activity and/or using sport to develop other areas of the curriculum.

The P.E. funding enables the school to introduce children to a broader selection of sports and physical activities such as skipping workshops, dance and trampolining and to enhance our existing P.E. curriculum and provide links to a wider range of local clubs e.g. tennis, golf, rugby, football etc. Links have also been forged with the F.A. who organised coaching sessions during the autumn term.

Through staff training we are able to support and involve the least active children by offering a wider range of sports and games activities in school as well as after-school sports clubs and holiday clubs also accessed via Southfields Aspire Centre.

Our PE provision enables all the children to develop a range of P.E. and games skills so that they can represent the school in PPSSA (Putney Primary Schools Sports Association), Southfields Academy and Borough competitions. We also organise a range of after school clubs with expert coaches via external providers such as Enable, and Dance da Liberdade (Capoeira) to increase pupils' participation in school games and physical activities.

The Government funding is having a significant impact on sport in the school and will enable the school to reach its vision of outstanding sport for all. Our aim is for all children to develop their skills and enjoyment of physical activity that will continue on beyond their time at the school.

Impact:

Objective 1: To develop the confidence and skills of the teachers to provide high standards of P.E.

- Evaluation and update of action plan, identifying strengths and areas for development, allowing for clear target setting
- Development of teachers in teaching and learning of PE, planning, resourcing, teaching strategies.
- Continual and developmental weekly observations and feedback to teachers to further the quality of teaching in PE.
- Team teaching - working alongside the teacher planning and teaching sequences of lessons jointly – allowing for the teacher to develop and improve their subject knowledge and skills.

Objective 2: To extend the PE curriculum.

- All children from Nursery to Year 6 participated in Sports Day.
- Mini Boost workshops have taken place for our younger children and their parents to encourage healthy life styles as early as possible.
- Older children have participated in the More Life club programme
- Participation in the Bikelt programme and scooter training.
- Skip to be fit workshops
- Wake Up/Shake Up and other programmes with Chelsea FC.
- Year 5 girls attended a Plan International Day at Stamford Bridge.
- The school has embarked on the 21st Century Legacy “Be the Best you can be programme!” as part of our on-going Olympic legacy.

Objective 3: To develop competitive sport with other schools.

- Membership of the Putney Primary Schools Sports Association (PPSSA) has enabled the children from Year 3 –Year 6 to represent the school in inter-school competitions such as:
Netball
Football
Athletics
Sports Hall Athletics
Tag rugby
Cross Country and Fun runs.
- The whole of Year 4 represented the school competitively in the Catholic Sports Day against other Wandsworth and Merton schools.
- Participation in Southfields and Local Authority inter- school competitions at Level 2:
Level 1: Participation/involvement.
Level 2: Competition.
- Year 3 took part in the London Youth Games at Crystal Palace.
- **The school achieved The Sainsbury’s Schools Sports Silver Award in 2015/16.**

Sustainability of change

At St Joseph's the Sports Premium spending allows us to consider the sustainability of the investments we make.

In 2016 – 2017 a number of introductions were made which will help ensure we are able to continue to enhance the increase of physical activity in children and promote healthy lifestyles.

Within Science teaching, the children are developing their understanding of the importance of adopting a healthy lifestyle including a balanced diet and regular fitness. In EYFS both children and parents have engaged in workshops to encourage healthy lifestyles from a young age.

The children take part in daily physical activity over and above the statutory PE curriculum.

The school made close links with Chelsea FC, taking part in specialised PE teaching sessions as well as linking PE to the wider curriculum and focussing on girls writing within a sporting context.

Pupils making the choice to exercise regularly is key to the development of healthy lifestyles and enjoyment of physical activity.
